

ABA:72340233

CA2/CA3

A coronal brain scan image, likely an MRI or PET scan, showing a cross-section of the brain. The image is predominantly blue, with some areas of cyan and white, indicating different levels of signal intensity. A white grid is overlaid on the image, with a vertical line and a horizontal line intersecting in the center. The text 'ABA:72340233' is located in the top left corner, and 'CA2/CA3' is in the bottom left corner.
