CA1

This image shows a fluorescence micrograph of a brain section, likely from a rodent, stained with a blue fluorescent marker. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a brain section with a prominent vertical structure in the center, possibly the hippocampus. The right half shows a more uniform, less structured area. The text 'ABA:73497174' is in the top left, and 'CA1' is in the bottom left.
