MD

The image displays a brain scan, likely an MRI or PET scan, with a white crosshair centered on the brain. The brain tissue is represented by a blue color, while the background is black. A small, bright yellow-green region is visible in the center of the brain, indicating a localized area of high intensity or activity. The text 'ABA:73573247' is located in the top left corner, and 'MD' is in the bottom left corner.
