

ABA:73584855

ME

The image displays a brain scan, likely an fMRI or PET scan, showing two hemispheres. A small, bright, localized area of activity is visible in the lower-left hemisphere, indicating a specific region of interest. The image is overlaid with a white crosshair, and the text 'ABA:73584855' is visible in the top left corner and 'ME' in the bottom left corner.
