VMH

This image is a coronal brain scan, likely from a rodent model, showing the internal structure of the brain. The image is predominantly blue, with a central vertical line indicating the midline. The text 'ABA: 73817933' is located in the top left corner, and 'VMH' is in the bottom left corner. The brain's internal structures, including the ventricles and surrounding tissue, are visible as lighter blue areas against the darker background.
