The image features a central, symmetrical, blue, brain-like shape on a black background. The shape has two main lobes, each with a smaller, rounded protrusion at the bottom. A bright blue, glowing spot is located at the bottom center of the shape, where the two lobes meet. A thin white vertical line runs through the center of the image, and a thin white horizontal line runs across the bottom, intersecting at the bright spot. The text 'ABA: 73994714' is in the top left, and 'Pn' is in the bottom left.
