The image displays a coronal cross-section of a brain, rendered in a solid blue color against a black background. The brain's two hemispheres are visible, separated by a central vertical line that likely represents the midline. A horizontal line crosses the image, intersecting the vertical one at the center. In the upper-left corner, the alphanumeric string 'ABA:74272916' is printed in white. In the lower-left corner, the letters 'Pn' are printed in white.
