

ABA: 74357595

Cb lobe

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly blue, with a central region of higher intensity, appearing as a bright yellow-green spot. This central region is located in the midline, possibly representing the corpus callosum or a similar midline structure. The image is overlaid with a white grid, consisting of a vertical line and a horizontal line intersecting at the center. The text 'ABA: 74357595' is visible in the top left corner, and 'Cb lobe' is visible in the bottom left corner.
