IC

A coronal brain scan image, likely a PET or SPECT scan, showing a blue-colored brain structure against a black background. The image is overlaid with a white crosshair. The text "ABA: 74511738" is in the top left, and "IC" is in the bottom left. The brain structure shows a central region of high intensity, with two smaller, bright spots on either side of the center, suggesting a specific anatomical region or functional area.
