CA1

A brain scan image, likely a PET or SPECT scan, showing a cross-section of a brain. The image is predominantly black, with blue highlights indicating areas of increased activity or concentration. There are two prominent blue spots on the left side of the image (patient's right) and one on the right side (patient's left). A vertical white line runs down the center, and a horizontal white line runs across the middle, intersecting at the center. The text 'ABA:74658086' is in the top left corner, and 'CA1' is in the bottom left corner.
