

ABA:74750032

SCN

A fluorescence microscopy image of a brain section, likely from a mouse, showing the Suprachiasmatic Nucleus (SCN). The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant is labeled 'ABA:74750032' and the bottom-left quadrant is labeled 'SCN'. The SCN neurons are stained with a blue fluorescent marker, showing a dense population of cells in the central region of the brain section.
