

ABA: 74819517

CA1

An axial brain scan image showing a cross-section of the brain. The image is predominantly blue, with a central vertical black strip representing the midline. The brain's structure is visible as a lighter blue area against a dark background. The text 'ABA: 74819517' is located in the top left corner, and 'CA1' is in the bottom left corner. A white crosshair is overlaid on the image, with a vertical line passing through the center and a horizontal line passing through the middle of the brain slice.
