

ABA: 74821712

VA/VL

A coronal brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is color-coded, with a prominent blue and yellow region on the left side of the brain, indicating a specific area of interest. A vertical line runs down the center of the image, separating the left and right hemispheres. The text 'ABA: 74821712' is visible at the top, and 'VA/VL' is visible at the bottom left.
