ME

The image displays a brain scan, likely an fMRI or PET scan, showing a cross-section of the brain. The brain is represented by a blue, irregular shape against a black background. A vertical line and a horizontal line intersect at the center of the brain. A small, localized area of high activity, indicated by a yellow and red color, is visible in the center of the brain, near the top. The text 'ABA:77454578' is located in the top left corner, and 'ME' is located in the bottom left corner.
